Greetings,

Please find attached a fact sheet for the proposed Circle Court Ground Water Plume Superfund Site in Willow Park. The fact sheet will be mailed to the community the week of July 23rd in advance of a public availability session scheduled for August 9th at the Willow Park community center. I wanted to ensure that you have a copy in advance of the community mail-out in case there are any questions from residents and well owners in the area. For reference purposes, I have also included a map with the addresses marked for the targeted mail-out.

Also, please let me know if you or other representatives from Willow Park would be available for the August 9th session in case of specific questions directed toward the City of Willow Park. Please contact me at the numbers listed below or via email if you have any questions. Thanks.
